035	There is a serious safety concern affecting pedestrians from traffic turning into Twigworth Green at the A38 Tewkesbury Road/Ironbridge Bridge roundabout; this section of the A38 has a 40mph speed limit and there are no speed reduction signs for traffic turning into the Twigworth Green development; in effect the 40mph remains the maximum speed limit on the development roads. Are there plans for 20mph maximum speed limit signs to be sited at the entrance to Twigworth Green, Ironbridge Road from A38?	Ironbridge Road	17 Sep 2024	GCC/Vistry	Review 8 Aug 2025	Reported	GCC Highways have advised that when it is adopted highway maintainable at public expense, a maximum speed limit of 30mph, GCC are liaising with Vistry to install the necessary signage to reflect this - Reviewed on Site walkabout/inspection with Vistry on 8 August 2025 but is likely to be addressed with GCC
036	Should there be "Give Way" road signs at the junction of Barley drive and Ironbridge Road? ... The reason for this, is that traffic entering Ironbridge Road from the A38 Roundabout, have their indicators signalling left, having exited a 40mph zone, the vehicles are still travelling at speed, meanwhile, vehicles waiting to exit Barley Drive into Ironbridge Road, believe that these vehicles are signalling to turn left into Barley Drive but actually drive straight on, with indicators only being cancelled after straightening their wheels ...Barley Drive drivers then decide to pull out.... there have been many "near misses"	Barley Drive	17 Sep 2024	GCC/Vistry	Review 8 Aug 2025	Reported	GCC Highways have advised, as it stands, the road is yet to be subjected to a Stage 3 Road Safety Audit and will be subjected to one before it is fully adopted highway maintained at public expense. Before this time, any safety concerns should be directed the appropriate developer. Reviewed on Site walkabout/inspection with Vistry on 8 August 2025 but is likely to be addressed with GCC
037	There is a "blind spot" for pedestrians using the footpath crossing at the roundabout junction of Ironbridge Road and Apley Road; the hedgerows do not allow pedestrians to see oncoming traffic from Ironbridge Road turning left into Apley Road, this is particularly hazardous when electric are approaching quietly at speed; should this cut back to allow pedestrians a clear view of approaching traffic?	Apley Road	17 Sep 2024	GCC/Vistry	Review 8 Aug 2025	Reported	GCC Highways advised, as above still subject to a Stage 3 RSA and safety concerns should be directed to the appropriate developer - Reviewed on Site walkabout/inspection with Vistry on 8 August 2025 but is likely to be addressed with GCC
